OUR
HISTORY

Umqondo Wethu Car Movers (UWCM) is a vehicle and truck transporting company that is based in Durban. Since the company was founded, it has been providing vehicle moving services both new and used vehicles / trucks to dealerships, fleet companies, and private customers nationwide. The company started with supplying transportation services to one dealership (McCarthy Nissan Gateway) to more than 200 dealerships nationwide.

UWCM has also extended the services scope from transporting vehicles to providing driver supply to service departments including chauffeurs, smash and grab installations,windscreen stone chips,etc.

OUR
FOUNDER

SIBUSISO SELBY GUMEDE

UWCM was founded in 2008 by Selby Gumede who has vast experience in the automotive industry and he is also the CEO of UWCM. This Durban-born businessman has dedicated over 15 years to empowering himself and those around him in the business fraternity and particularly the youth.

"Legacies can only be achieved with a collective approach to things".
